2022-23 Annual Review-Delivery/Billable for Gandhi S

Introduction

Welcome to Annual review! It gives an immense pleasure to announce the introduction of a new performance rating matrix, effective 2022-23 appraisal cycle. Now appraisals will be done basis **a simplified 4-point rating scale,** which will be **applicable to Employees across salary grades** as a standard feature. The following are the new rating scale:

- **Below Expectations (BE)**
- **Contributor (CR)**
- **Key Contributor (KC)**
- **Outstanding Performer (OP)**

Please **click here** for details on each rating scale.

Also Annual Appraisal Review gives you an opportunity to submit your views on your accomplishments during this performance year. Here are some quick tips to write your comments:

- Highlight your significant achievements.
- Acknowledge the challenges you have faced and any performance lapses
- Substantiate your views with facts, examples and other relevant data
- You need to submit a minimum of 3 goals and a maximum of 8 for Annual review.
- Goals will not be editable once self-comments are submitted for Annual review
