UDEMY LICENSE ALLOCATION PROCESS

STEPS TO REDEEM & LOGIN TO UDEMY –

1. You will receive an e-mail from Udemy Business no-reply@e.udemymail.com with the subject "**You're invited to start learning on ltim.udemy.com**" to claim your license.
2. The claim link will redirect users to the Udemy Business account, where you are required to create an account providing your **Name, Email ID (LTIM email ID),** and **Password of your choice**.
3. You will be prompted via email to verify your account with the Subject **"Activate your account on ltim.udemy.com".** Click on the **"Activate my account"** and ensure you verify your account within 48 hours of receipt of the email.
4. You will be required to select the preferred **Job Role** and **Learning Skills** when you login for the first time.
5. After completion of the above step click on "**Next**" and it will take you to the Udemy home page.
6. Use the "**Search bar**" to select the course and get started.
7. The license will be revoked if you don't get started within 3 months of the assignment.
8. Your access will be revoked in case of separation or on a need basis based on business demand.

Note:

1. The license will be allocated within 3 business days after the request approval.

2. In case you face any issue, please raise an iSupport ticket under iSupport -> Shoshin School -> Learning Platform – Shoshin (Technical issues)
